This apartment is amazing. I share it with my girlfriend, and we love it. The apt is a 2 story, 2,000 sq ft loft! So, we decided to get a roommate. We are both vegetarians, and would prefer our roommate to be the same. We love to cook, and there is a large pup he's super sweet:) The rent includes everything: Internet, cable (Showtime, DVR), and all the electric. This building is new, and most of the ppl living in it are young professionals. We are right next to the train (J,M,Z). The room for rent s enormous, with sliding glass doors that lead to an outdoor space.

Hi guys, I'm a gay male looking for someone to share my room with. I live in the biggest room in a HUGE loft apartment. You would be renting out the bottom/floor, and i would be living up in the loft. I work a lot and am usually never home, so the room is basically all yours. There is a futon and closet space that is available for you to use. This is an all around a great space and I'm really hoping to find someone reliable to share it with. Feel free to contact me with any questions.Thanks

My ideal roommate must be employed, the type of person who can appreciate a home like setting with NSA, business proposition only. I am easy going laid back clean and respectful, please be like minded. I don't entertain much because that's where trouble begins. Outside of that the layout for this share is perfect. The building is a gut renovation, converted to 3, family apts. There is only 1 family to each floor, and I am a 2flr walkup. Please be a drug and disease free, employed.
