Im only in NYC 1 week a month so am looking for a responsible roommate that i can trust. They will have the apartment to themselves most of the time but we will share when im in town. The living room has a sleeper sofa which I will sleep on when in town So my roommate gets the beddroom and separate dressing

This well kept brownstone built in 1846 has a remarkable and quite beautiful country feel. A large open area behind the building filled with plants and trees gives a serene park like view. I have a small terrier who is calm and lovable. I am not a tv watcher and am often out during the evening. The space is kept clean and has a open loft style feel.
