Everything is walkable, but the actual street is pretty quiet with two parks, and the area still has a strong sense of community and a neighborhood vibe. I walk to the West Village pretty frequently from here. The place is "garden level," which means that it is halfway below street level. Unlike a true basement, it has full size windows in the bedrooms and the kitchen. We have a separate entrance from the rest of the building, except for the one other apartment on our level, and it goes directly out to the large deck. I like to have BBQs out there when the weather is nice. If you bike, you can leave your bike in the basement hall or**CONTACT INFORMATION MADE AVAILABLE WITH YOUR MEMBERSHIP****Tel.(W):****Age:** 71
