Additional Notes:

I'm a TV Producer with a place in the city and am often in LA. Most weekdays you're probably be solo at the beach house (definitely during the winter as I hardly come out). The beach is literally 150 steps away, wrap around porch, amazing space, the the house is complimented all the time. The master OR the spare bedroom are up for rent: \$1400 for the master or \$1200 for the spare room. Both have ample closet space. The spare room has its own entrance and although narrow can fit a queen size bed right now there is a day bed that opens to a queen. Must be seen to be believed and its in the heart of Long
